SUBJECT: U.S. SUPPORTS UN ASSESSMENT MISSION TO CYPRUS  
AFTER FEBRUARY 2008

REF: USUN 1143

Classified By: IO PDAS James B. Warlick, for reason 1.4 (b).

(C) This cable is in response to the request in reftel for Department's views on Cyprus SRSG Moller's suggestion for a Security Council assessment mission to Cyprus in 2008. Department thinks a UN assessment mission could be useful but only after the February 2008 presidential elections in Cyprus. Therefore, Department requests that post delay discussion of this option and any USG endorsement of it until after elections are finalized in Cyprus to guard against the assessment mission becoming an issue in the current campaign.
